## Screed Operator

### Description

We are seeking a skilled and experienced **Screed Operator** to join our paving crew. The ideal candidate will have a deep understanding of asphalt paving operations, strong attention to detail, and the ability to work in a fast-paced, outdoor environment.

### Responsibilities

- Operate the screed component of the asphalt paver to control the depth and consistency of asphalt being laid
- Monitor material and adjust screed settings to ensure proper compaction and smooth finish
- Maintain consistent paving quality in coordination with the paver operator and ground crew
- Conduct daily equipment inspections and basic maintenance
- Follow all safety procedures and participate in crew safety meetings

### Qualifications

- Proven experience as a screed operator (minimum 2 years preferred)
- Knowledge of asphalt paving and road construction
- Ability to read and understand grade and slope specifications
- Physically fit and able to work long hours in varying weather conditions
- Valid driver's license (CDL is an asset)

### Job Benefits

- 401(k)
- Dental insurance
- Health insurance
- Life insurance
- Paid time off
- Referral program
- Safety equipment provided
- Vision insurance
